No. 13464 / Bhubaneswar dated the 7/7/17  
09611700112016

From

Shri P.K. Mohapatra, IAS  
Principal Secretary to Government

To

All Collectors.

**Sub: Online Farmer Registration for Kharif paddy procurement during the KMS 2017-18.**

Madam/Sir,

I am directed to say that online Farmer Registration was implemented all across the State during Kharif Season of KMS 2014-15. For the first time, farmers willing to sell their surplus paddy to Government were asked to register themselves mandatorily in their nearest PACS/ LAMPCS (societies, in short). The societies digitized the information submitted by farmers as regards their personal/ land/ bank details and uploaded these data in the website of this Department [www.foododisha.in](http://www.foododisha.in) through the help of Farmer Registration software. As a result, before the start of every procurement season (Kharif/ Rabi) each society is ready with a list of farmers with their marketable surplus to commence procurement operations. So is the case with each district. Similar is the case with Government which also knows how many farmers will sell how much paddy to it. This helps in making advance planning to manage procurement of paddy.

1.2 In the meanwhile, online Farmer Registration has been implemented in three full complete KMSes which had 3 Kharif seasons and 3 Rabi seasons. Farmer Registration is therefore a well-established mechanism for creation of an authentic farmer database.

1.3 The online Farmer Registration has undergone several changes over the last three years to ensure greater transparency, efficiency and accountability in paddy procurement operations. We discarded the requirement of Khata wise area in favour of plot wise area i.e. farmers were asked to give plot details. These details were

authenticated by integrating Farmer Registration with Bhulekh web services maintained by Revenue Department. In this process, verification by Revenue Inspectors was dispensed with except in cases where lands details are not available in Bhulekh. Further, identification through Aadhaar has also been made mandatory which has gone a long way to eliminate fake farmers from the system.

1.4 Now the next procurement season will be upon us from the upcoming Kharif of KMS 2017-18. Kharif procurement usually begins in mid-November every year in our State. So in line with previous practice, farmers, willing to sell paddy during the upcoming Kharif season, will get themselves registered with their nearest society well in advance. This is a mandatory requirement.

1.5 Modalities have therefore been devised and are laid out (in paragraphs adumbrated hereinafter) for online registration of farmers for the Kharif season of KMS 2017-18. Farmer database of previous Kharif season i.e. KMS 2016-17 will form the basis for registration for ensuring Kharif. Kharif registration will be essentially in the nature of renewal for vast majority of farmers who got registered during previous Kharif.

1.6 These farmers can make a request for renewal by exercising a written option of "no change" in respect of previous year's data. Such requests can be disposed by a few clicks at the society level. Where changes in respect of bank/ land details are requested for, it will involve fresh digitization and uploading of data. Fresh cases of registration will involve digitization of each piece of information offered by farmers in the prescribed application form and uploading them in [www.foododisha.in](http://www.foododisha.in). The modalities therefore offer almost no difficulty for previously registered farmers and for them registration will be completely hassle-free. As for farmers coming for new registrations they have to be rendered all possible assistance by society officials so that it is a smooth experience for them.

2.1 Registration of New Farmers: Following steps are to be taken for new registration.

- Farmers who did not register in last Kharif season 2016-17 have to fill up a new "Farmer Registration Form" A sample form is at Annexure-1.
- Societies will print the new Registration Forms at their level and keep at least 50 forms with them at any point of time. Secretaries of societies will hand over the blank Registration Forms to farmers who have cultivated paddy in Kharif Season 2017-18 and help them to fill up the Registration Form. Farmers will submit the filled up form along with the copy of 'RoR', first page of Bank Pass book and copy of their Voter ID/ BKKY/ KCC and Aadhaar card at the society office between 15.7.2017 to 15.8.2017.
- Bhagachasi or sharecroppers are required to obtain consent letter(s) from the landholder(s), and deposit it along with Registration Form. In the event of such consent letters not forthcoming from a landowner, a sharecropper may approach the Sarpanch who may also certify as to sharecropping by following procedure laid down in this Department letter no. 18418 dated 20.9.2016. A model form of consent letter is annexed at Annexure-2.

## 2.2 Renewal of farmers already registered in Kharif 2016-17:

Farmers who got registered during last Kharif Season of KMS 2016-17 need only to renew their registration through the society. Following steps are to be followed for the renewal process:-

- It would be the responsibility of societies to make available to farmers the relevant Renewal Forms. Farmers visiting the society office in connection with Kharif loan can also be handed over the said Forms. A sample of the Renewal Form is enclosed at Annexure-3.
- The society secretary will download the Renewal Form for the concerned farmer from the 'Renewal Form for Kharif 2017-18 Farmers' tab available under society login. Alternatively, the society secretary can download Renewal Form for all farmers having farmer ID in Kharif season.

- The Renewal Form will have three parts. Part-1 of the Renewal Form deals with the farmer's personal details. If the farmer wants to change the Bank Account details, then the farmer has to provide photo copy of the first page of bank passbook along with this Form. Similarly, for changes in respect of any Identity details (BKKY / KCC / EPIC) and incorporation of Aadhaar Number, photo copies of relevant documents need to be submitted along with the form.
- Part-2: of the Renewal Form has the details of the land (irrigated / non-irrigated) cultivated in the last Kharif Season 2016-17. It has Khata/plot number and area apart from other details. No action is to be taken in this part either by the farmer or by the society.
- Part-3: of the Renewal form contains a declaration. If farmer has taken up cultivation of plots shown in part-2, he has to sign a declaration to that effect in Part-3 which would mean that the said lands would be automatically updated with a single click by the society secretary.
- Part-4: If there are any changes in Kharif cultivation, farmer has to provide details of changes in land particulars shown in Part-2.

2.3 Processing at Society Level: Societies have to process applications for registration/renewal in the following manner.

- Checking at Society level

Secretary of the society is to check the correctness of the Registration Form or Renewal Form with copy of RoR, Bank Passbook, Consent letter/ Certificate from Sarpanch (in case of Bhagchasi / Sharecropper) and Aadhaar Number.

- Digitizing the information in New Registration Forms

After checking the form with documents, the forms will be digitized at the society office under supervision of society secretary. Forms will be digitized under society's login provided for Farmer Registration (FR) Module.

For new Registration Form, a separate entry screen has been provided in society's login.

- Digitizing the Renewal Forms

The Renewal Forms would be digitized using farmer code number. The renewal entry screen will show the existing details of a farmer as per information provided in Kharif season of KMS 2016-17 i.e. last Kharif.

Regarding land area, societies need to fill in Part 4 on the basis of the data furnished in Renewal Forms. As the land details are linked to Bhulekh database, while entering the land details, plot number has to be entered after selecting Tehsil and Village. The online system will fetch relevant details from the Bhulekh database on Kism, RT, total plot area in acre. Other fields i.e. area under cultivation and source of irrigation (in case of irrigated land) are to be entered by the society.

- Online populating the new fields

As the Farmer Registration database has been integrated with the 'Bhulekh' database on real time basis, the fields of 'Kism', 'Recorded Tenant in RoR', and 'Plot area' will be automatically populated in the entry screen once the 'Plot Number' is keyed in. There will be no scope to change the plot area at the data entry stage. Those cultivated plots whose areas come within Bhulekh area would be auto-validated by the system and pass for computation of marketable surplus.

- Conflicting Claims

There may be cases where the same plot area is claimed to be cultivated by multiple farmers. The online system will veto the claims if the combined cultivated area of all the applicant farmers in respect of the same plot exceeds the total area of the plot as shown in RoR. Such incongruities are to be addressed at the society level upon checking the genuineness of the conflicting claims.

- User Manual

A user manual will be provided to the societies for data entry work. Societies must carefully go through the user manual before starting the digitization process.

- Timelines for various activities at society level
  - Download and print out of Renewal Forms/ new forms and their distribution: From 15.7.2017 to 30.7.2017
  - Filling up of Renewal/ New Registration Form and submission thereof along with documents: From 15.7.2017 to 15.8.2017
  - Digitization of New and Renewal Forms: From 20.7.2017 to 20.8.2017

2.4 Verification by Revenue/ Bank Authorities: Verification by revenue authorities in respect of plots which are not available in Bhulekh and validation of Bank account numbers by Banks have to be done by following the procedure given below.

- Printing of verification reports  
Land Verification Reports (Revenue Circle/ Mauza wise) and Bank Account Verification Report (Bank/ Branch wise), wherever necessary, would be generated and printed by CSOs under their login from 1.8.2017 to 25.8.2017.
- Verification limited to mismatches in land details and new Bank accounts  
Verification of land details by Revenue field functionaries is required under the following circumstances:
  - ✓ Plot details provided by the farmer are not available in Bhulekh database.
  - ✓ The total area of claimed cultivation is more than the actual plot area available in Bhulekh.
  - ✓ Similarly, verification of Bank Account numbers is to be done in case they are new/ changed.
- Period of Verification  
CSOs are requested to hand over Verification Reports for lands to concerned Tehsildars and for account details to the Nodal Bank Officers so as to complete the verification within one week of receipt of each batch of verification reports.
- Verification Procedure  
The verification procedure by both Revenue Inspectors (RIs) from their records and by Bank Managers from their ledgers would remain the same as was being done earlier. However, in

the meanwhile, all the Tehsildars and Nodal Bank Officers may be sensitized about the urgency of this important item of work.

- Transmission of Verified Reports

Tehsildars/ Bankers shall transmit back the verified reports to CSOs within one week of receipt of each batch of verification reports. They should not wait to submit verified reports in one final batch but should keep transmitting them in phases at regular intervals so that CSOs are able to update farmer data on a continuous basis.

2.5 Updation by CSOs on the basis of verified reports: CSOs will have the responsibility of updating the changes made in the process of verification by RIs and Bankers within the period from 20.8.2017 to 30.9.2017

The updation will facilitate generation of society wise master farmers list along with marketable surplus. The output of online Farmer Registration module shall serve as the input for Paddy Procurement Automation System (P-PAS). Paddy procurement operations in the entire State is covered under P-PAS. Hence timely completion of Farmer Registration is critically important for upcoming Kharif.

2.6 Corrections in Master Farmer Data: Only CSO-cum-DM is authorized to effect corrections in master farmer list. Requests for corrections in respect of personal/ land/ bank data of farmers shall be made at society level with supporting documents. The society secretary shall, after due verification, consolidate such requests and send them to ARCS who shall send his recommendations to the CSO. The CSO shall effect the necessary corrections in the master data on the basis of such recommendations. List of such changes effected by CSO under his login shall be entered date-wise in a register to be called 'CHANGE REQUEST' Register.

2.7 Training and Supervision: Society officials and supervisory officers shall be trained in the modalities of registration process within timelines prescribed.

- Master Trainers Training: Master Trainers from 30 districts will be imparted training on 12.7.2017 at Bhubaneswar on modalities laid out herein.
- Training of society secretaries and others: The training of Society Secretaries/DEOs/MIs/ISs/ Co-operative Inspectors and related officials will be completed by 22.7.2017 in the districts with the help of Master Trainers. CSO shall be the nodal officer for training and he shall be assisted by ARCS/ DRCS / DCCB in this regard, as done in previous years.
- Monitoring of Registration process: Senior functionaries like DRCS/ ARCS/ DCCB Secretary/ DCCB Nodal Officers/ CSO/ ACSO/ Inspector of Supplies/ CEOs shall be assigned with specific societies for supervising the registration work.
- Collectors shall take review of supervising officers periodically to monitor the progress made in respect of farmer registration work.

2.8 Time Schedule: The time schedule of different components of the registration process is enclosed as Annexure - 4 for completing each and every activity as per timelines prescribed.

Yours faithfully,

Principal Secretary to Government

Memo No. 13465 Dated 7/7/17

Copy forwarded to P.S to Minister, FS&CW for kind information of the Hon'ble Minister, FS&CW.
